

About friendship

Friendship now is not a fashionable word. Friendship teaches us to give people aspire to. When all aspire to and no one wants to give friendship becomes deficient as love. Let's try to understand what is friendship and how it differs from what is sometimes called this word. What is female friendship and possible true friendship between a man and a woman. Recommend remote online training course happiness for those who are unhappy become happy accident I feel bad and sad. Parents said that after the 11th grade I'll be home. I'm not going to do all this... I am madly in love with my husband. And then happens the meeting - it's like a fresh breath of air as a storm of hurricane... I am in trouble. The point is not that it's hard for me to study or I have some problems with brain activity... © Realists. 2008-2015. Group sites Survive.ru.
